

# Jonas Hill Hospital and Clinic

A DIVISION OF UNC HEALTH CALDWELL MEMORIAL HOSPITAL IN LENOIR, NORTH CAROLINA.

## PROJECT DESCRIPTION –

Originally intended to be housed within Caldwell Memorial Hospital, Jonas Hill Hospital and Clinic is a 27-bed stand-alone facility providing adult inpatient and outpatient psychiatric healthcare.

## PROJECT HIGHLIGHTS –

- Comfortable individual lounge pieces used in the group consult rooms to provide comfort and flexibility instead of more typical clinical side chairs
- Group consult room features full-size wall mural imagery to provide a calming atmosphere, and coordinating armless lounge chairs
- Patient rooms feature 1-piece roto-molded bed for ultimate durability, yet specified in a soothing Chateau Grey finish for a more residential feel
