Stance Healthcare is a family owned business with a strong commitment to maintaining the highest possible standards in all that we do. We are always vigilant to be as fair as possible with our customers, employees and our manufacturing partners.

In subscribing to the highest possible level of customer satisfaction, we promise to:

- Build all products to the highest level of quality
- Stand behind our products, and resolve issues without delay
- Maintain consistent lead times, and honor promised delivery dates to the best of our ability
- Maintain clear and open communication with all customers, employees and manufacturing partners
- Maintain continuous product innovation and improvement
- Provide friendly and expedient customer service at all times
- Provide after-sale service and support whenever required
- Listen to the concerns and needs of our customers, employees and manufacturing partners
- Keep in tune with the changing requirements in the healthcare market

We believe that our future success will be determined by our strong personal and corporate commitment to the standards listed above.

Our efforts to reduce the environmental impact of our products begin during the design and development phase. Whenever an existing product is changed, or a new one is being developed, we will take into account the environmental impact of materials chosen; including their origin, use of our products, and end-of-life recovery options.

Employing this concept, we will give preference to renewable, recycled, recyclable and biodegradable materials and will also make design considerations to conserve raw materials, water and energy.

Each design prototype must be assessed by the Stance Healthcare Design for Environment (DfE) Program during product realization prior to the actual manufacture of the final product. This tool assesses the environmental performance of both the proposed product itself and the processes that would be used to manufacture it. At a minimum this analysis must consider the following DfE elements:

- Renewable materials
- Recycled materials
- Recyclable and biodegradable materials
- End of life management
- Water management
- Energy efficiency

DfE is an iterative process: Output generated from the analysis of each design prototype using the Stance Healthcare DfE Program must inform the next generation of the design process until the desired environmental performance of the final product is achieved.

---

## General Information

### ORDERING INFORMATION –

Please forward purchase orders to:

Stance Healthcare Inc.  
45 Goodrich Drive  
Kitchener, Ontario, Canada N2C 0B8

Phone: 877-395-2623 | e-mail: [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com)

For expedient order processing, please ensure Purchase Order includes:

- Company name, address, and telephone number
- Order contact name, telephone number, and email address
- Stance Healthcare Quote number (if applicable)
- Purchase Order number
- Ship To address (with special instructions including receiving hours, liftgate requirement, etc.)
- Ship To contact name and telephone number
- Requested ship date
- Complete product details including Stance Healthcare item number, finish and fabric selections
- Accurate Net Dealer pricing
- C.O.M. tracking details (if applicable)

If purchasing off contract, please also ensure all applicable information is included (name of contract, contract number, Dealer of Record, end user name, etc.)

All clean orders received will be acknowledged via email. Customer must check order acknowledgment for accuracy and notify Stance Healthcare of any discrepancies within 24 hours, otherwise acknowledgment constitutes a final agreement between Stance Healthcare Inc. (Stance) and the customer.

Orders may be placed by authorized Stance dealers only. Distribution of the price list does not in itself constitute an offer to sell.

### DELIVERY AND FREIGHT INFORMATION –

All North American shipments are DDP (Delivered Duty Paid) unless other arrangements are agreed upon. Stance reserves the right to select the most appropriate carrier and routing on all shipments. Stance carriers provide one free hour for offloading product, depending on the size of the order, after which waiting charges will apply and will be billed accordingly. Shipment may deliver up to seven (7) days in advance of the acknowledged ship date. If customer requests a specific carrier, shipments will be made freight collect at customer's expense. Please review the Stance [Freight Program](#) for details on how freight charges are calculated.

**All deliveries from Stance require a loading dock.** Dock must be able to accommodate a 53-foot trailer. Minimum 4 hour delivery window required, within standard business hours of 9am to 5pm. If delivery location requires a liftgate, forklift, and/or is limited access/residential delivery, please notify Stance at time of order. Additional freight charges will apply for liftgate, limited access/residential delivery, rerouting from original destination, refused/returned freight, detention fees, driver labor costs, weekend delivery, and all other extraordinary deliveries. Direct-to-site shipments must be discussed with Stance to determine site accommodations, at which point additional charges may be applicable. Stance reserves the right to amend and invoice freight charge based on special shipping arrangements required.

Contact [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com) for more information.

### DAMAGE AND FREIGHT CLAIMS –

All Stance furniture products are carefully inspected and cartoned by trained personnel before they leave the factory. Record damages and/or shortages on the bill of lading and freight bill. Sign only for the items you receive and do not accept the shipment until all shortages are noted on both the bill of lading and the freight bill. If receiver gives the delivering carrier a clear receipt, Stance will bear no further responsibility.

Claims for concealed damages must be made to Stance within ten (10) calendar days of delivery. Contact [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com). Retain all shipping cartons and inner packing for inspection and do not move the damaged merchandise from the receiving location. Stance will not be liable for concealed damages after 10 business days if cartons are not opened within that time.

### PRICING –

All prices shown in this price book are list prices and are subject to change without notice. Pricing will only be held as long as standard lead times unless previously registered and agreed upon. Should an order be placed with an extended lead time, the order will be subject to pricing in effect at time of shipment and may require an up-front deposit to secure the desired ship date.

### PAYMENT TERMS –

Payment terms are net 30 days. Pricing does not include state or provincial taxes. Payment by credit card will be considered on a per order basis. If invoice is not paid in full within 30 days, a late payment charge of 1% per month (12% per annum) will be applied on overdue invoices.

## General Information

### ORDER CANCELLATIONS –

After an order has been acknowledged and placed into production, cancellations cannot be accepted without the consent of Stance Healthcare Inc. In the case of an order cancellation, customer will be invoiced for the full cost of fabric and may also be invoiced a cancellation fee of no less than 20% of the value of the customer's Purchase Order. Stance reserves the right to charge additional "work in progress" fees as well. Cancellations must be made in writing to the factory. Please note special orders are not subject to cancellation.

### AMENDED SHIP DATES AND STORAGE CHARGES –

Requests to change the acknowledged ship date (for instance, moving out an order) must be requested in writing a minimum of six (6) weeks prior to acknowledged ship date. Contact [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com). Stance is unable to accept such requests within six (6) weeks of the acknowledged ship date.

Due to space constraints, shipments cannot be held or stored beyond (5) days.

Stance reserves the right to apply a storage fee of 2.5% per day if customer requires the order be held past the acknowledged ship date, to a maximum of (5) days.

### REPAIRS AND RETURNS –

If repairs are required for any reason, Stance must be notified in advance of repair completion. Stance will bear no responsibility for repairs completed without prior written approval and customer will not be eligible for reimbursement. Note that unapproved repairs will void all warranties.

Sales are considered final but in the event of a shipping error, duplicate shipments, processing error, etc., product will be accepted for return only with a signed Return Authorization (RA) from Stance. Contact [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com) for return eligibility evaluation. Product approved for return must be returned properly packaged in the original factory cartons. Carton must be clearly labeled with the RA number. Freight responsibility and arrangements will be determined during the RA process.

All merchandise must be returned within thirty (30) calendar days of the RA date to be eligible for refund/credit. Freight damage, signs of usage, missing parts, etc. will be adjusted on any credits issued.

### FABRIC EVALUATION –

Fabrics must be tested and approved for application on all Stance products. Please contact [sales@stancehealthcare.com](mailto:sales@stancehealthcare.com) for information on the evaluation process and/or to confirm if the specified pattern is approved before order is placed. Because every fabric specification is different and application for use must be taken into consideration, Stance shall not be held responsible in any manner for wrong specification of fabric for tailoring, wear, durability, or light fastness. Refer to Stance's Warranty for more.

### CUSTOMER'S OWN MATERIAL –

Customer supplied materials must be shipped prepaid to Stance Healthcare Inc. and must be accompanied by a CUSMA Certificate of Origin (formerly known as NAFTA) and a commercial invoice as required by Canada Customs. Commercial invoice must clearly indicate the description of the fabric, including the makeup or content, the selling price, and the country of origin. Please contact our customer service at 877-395-2623 should you have any questions related to Canada Customs requirements.

COM materials must be received at least two weeks prior to the acknowledged ship date in order to avoid any delays.

COM material must be clearly identified with the following information:

- Fabric name and color
- Customer name
- Purchase order number

Stance Healthcare Inc. reserves the right to refuse to use any COM materials that we feel will compromise the integrity of our products.

All COM's are cut "up the roll" unless otherwise specified by the customer. Stance Healthcare will not be responsible for incorrect application of COM materials, unless we have been provided with application instructions by the customer.

Stance will retain COM fabrics for a maximum of **six months**. After this period, any remaining fabrics will be **disposed of**, unless there is an order.

## General Information

### FABRIC REPEATS –

Unless otherwise stated, fabric rolls are assumed to be a minimum of 54" wide. The following chart is used to calculate the extra yardage required for fabrics with a repeat.

Repeat (inches)	Up the Roll	Across the Roll
1 – 5"	15%	10%
6 – 9"	25%	15%
10 – 13"	30%	20%
14 – 20"	35%	25%
21 – 27"	40%	30%
Over 28"	45%	40%

### FABRIC GRADES –

Refer to the fabric listings on pages 8–39 to determine fabric grades for all cryptons and vinyls from Stance Healthcare's preferred partners. Stance Healthcare Inc. will also grade-in fabrics from most other suppliers, upon request.

Different fabrics may be specified on the seat and on the back. In this case, use the higher grade of the two. No additional upcharge applies.

### ESTABLISHMENT LICENSE –

The following products are considered a Class 1 Medical Device product by Health Canada. If you are selling them to a healthcare establishment located in Canada which provides medical treatment to the public you must hold an Establishment License issued by Health Canada.

- Treatment and Exam tables
- IV pole (sold as an accessory with our Recliners)

### DISCLAIMER FOR SPECIFYING PRODUCTS –

Stance products are designed to service various spaces within behavioral health facilities. It is solely the specifier/facilities responsibility to assess patient safety and determine the products and hardware most appropriate for the environment and its level of risk. It shall also solely remain the specifier/facilities responsibility to ensure furniture is correctly installed, operates properly, and is routinely maintained. Although products are designed with safety features, be advised that installation of these products will not eliminate all risks of suicide or injury.

### LIMITED LIFETIME WARRANTY –

Stance Healthcare Inc. (Stance) is committed to Improving Lives by Design and to support this mission, we are pleased to warrant that our products are free from defects in materials and workmanship for the life of the product, except as noted below. Stance warrants to the original purchaser beginning from the date of product shipment.

### EXCEPTIONS –

5 Years – Stacking chairs, seating components including controls and adjustment mechanisms, exposed wood frames, height adjustment/reclining mechanisms and pneumatic cylinders, wood veneer and low pressure laminate (LPL) surfaces, urethane and wood edge treatments, seating foam, upholstery and tailoring.

3 Years – Electrical components and power supplies, furniture designed for outdoor use, ballasts, casters, replacement parts, mattresses, and glides. Due to varying flooring materials and our inability to test on all flooring types, Stance assumes no responsibility for floors damaged by glides. For questions regarding glides, or to request specific glides, contact Customer Service.

Fabric – Stance bears no responsibility for defects of any kind in upholstery materials such as shrinkage, stretching, wrinkling, puddling, color fastness or any other defect occurring as a result of normal "wear and tear" of textiles. Certain textiles have content that make them susceptible to puddling and wrinkling, which Stance cannot control. Environmental factors like humidity, temperature, and changes in weather can affect textiles and Stance bears no responsibility for defects caused as a result of these conditions.

Upholstery materials applied to products manufactured by Stance are subject to the specific warranties, if any, of their manufacturers. Because every fabric specification is different and application for use must be taken into consideration, Stance shall not be held responsible in any manner for wrong specification of fabric for tailoring, wear, durability, or light fastness.

### EXCLUSIONS –

Warranty does not apply to product failure or loss resulting from:

- Normal wear and tear.
- Failure to apply, install or maintain products according to published Stance or manufacturer instructions and guidelines.
- Abuse, misuse, neglect or accident.
- Unauthorized alteration or modification of the product.
- Products exposed to extreme environmental conditions or improper storage.
- Substitution of any unauthorized components that are integral to the performance of the product.

Warranty does not cover:

- Replacement parts; such are covered for 3 years not to exceed the balance of the original warranty.
- Natural variations in wood grain, color, or texture or the presence of character marks.

## General Information

- Customer's own materials including, but not limited to: solid surfaces, laminates, textiles and upholstery materials, leathers, wood and wood veneers. These materials are subject to the original manufacturer's warranties only.
- Marks, scars, or wrinkles occurring naturally in leather.
- Changes in surface finishes including colorfastness, due to aging or exposure to light.
- Damage, marking, or staining due to contact with rubber or similar compounds.
- Damage from sharp or foreign objects or imprinting from writing instruments.
- All laminate finishes, surfaces and painted products; such are covered by the original manufacturer's warranties.
- Products purchased "as is," used or second-hand.
- Products sold by unauthorized dealers or installers.
- Product modifications which are outside of standard product's worst-case test scope.

In addition to our standard furniture offering, Stance also manufactures custom product solutions for specific needs. Custom product solutions are warrantied for a period of one (1) year against defects in materials of workmanship.

Regular care and maintenance of all furniture items by the customer is an essential condition of the Stance warranty. It should be noted that all screws, nuts, bolts etc. must be checked on a regular basis. Damage, fracture or other failure of Stance furniture due to lack of maintenance is not warrantable and will be charged according to Stance Terms & Conditions of Sale.

Under this warranty, if a product fails during normal use during the warranty period as a result of a defect in materials or

workmanship, Stance will, at its sole discretion, either repair or replace the product free of charge. If Stance determines the repair or replacement of the product(s) is not commercially practical, Stance may choose to refund the purchase price of the affected product. Stance reserves the right to decide whether to repair and/or replace any product/s that are deemed to be covered by their warranty and the decision by Stance is final. This warranty applies to products purchased on or after January 1, 2024. For products purchased prior to January 1, 2024, please refer to the warranty terms and conditions in effect at that time.

Return freight charges incurred under warranty claims will be paid by Stance provided that the customer received written authorization and shipping instructions from Stance to proceed with the return. Stance reserves the right to request that the damaged product be returned prior to granting a remedy.

This warranty is non-transferable and valid to the End User only. Warranty is enforceable only if products were acquired and installed by Stance or one of its Authorized Resellers. End User means the final purchaser acquiring a product from Stance or a Stance Authorized Reseller for the purchaser's own use and not for resale, remarketing or distribution. A "Stance Authorized Reseller" means any dealer that (i) is duly authorized by Stance to sell the product, (ii) is legally permitted to conduct business in the jurisdiction where the product is sold, and (iii) sells the product new and in its original packaging.

THIS LIMITED WARRANTY IS THE SOLE REMEDY FOR PRODUCT DEFECT AND NO OTHER EXPRESS OR IMPLIED WARRANTY IS PROVIDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. STANCE SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES.
